When submitting a SAP late appeal request you are asking that your appeal be reviewed before the semester census date. If your late appeal request is not granted, your appeal will be reviewed in the order in which it was received.

Please describe in detail why you are submitting a late Satisfactory Academic Progress appeal for consideration. Include documentation to support your reasons for submitting the late appeal. You must be enrolled in the current semester for which you are submitting an appeal. Incomplete late appeal forms will not be reviewed. You will be notified about the appeal decision via email.

You should be prepared to pay all charges on your student account until a decision can be made on your appeal. If your appeal is approved, you are not guaranteed replacement of a previously awarded financial aid package

The SAP Appeal deadlines are published on the University calendar and the Financial Aid SAP Calendar on the University website.
