TUITION WAIVER PROGRAM

The University of North Carolina at Greensboro provides a Tuition Waiver Program for eligible university employees. The purpose of the Tuition Waiver Program is to provide an opportunity for eligible employees to have tuition and fees waived for a course taken at any of the 17 campuses of the University of North Carolina system. An employee is allowed a maximum of three (3) courses per academic year (*fall/spring/summer*) with no limitation as to the number of courses that can be taken each term. Law enforcement officers are allowed an unlimited number of course waivers per academic year. The Tuition Waiver Program does not cover special course fees, enrollment in correspondence courses, extension courses, or noncredit courses.

A. Eligibility Requirements

- Participation is limited to **permanent** employees who are regularly scheduled to work 30 hours (75% time) or more each week.
- Space must exist in the specific class or course. **NOTE: The employee is responsible for registering for the course in addition to completing the tuition waiver application. This form is not in lieu of the normal course registration procedure.**
- The employee who enrolls in a tuition waiver course is required to complete the full schedule of work of his/her normal employment obligations.
- The employee must be participating in the NC Teachers' and State Employees' Retirement System or the UNC Optional Retirement Program.
- The employee must maintain employee status for the duration of the course. Otherwise, the employee shall be responsible for payment of applicable tuition and fees. However, this payment requirement shall not apply to an employee who is eligible under this policy at the time of enrollment in a course and is later reduced in force (SHRA) or separated for budgetary reasons (EHRA) prior to completion of the course. This exception does not apply to the end of a time-limited position.
- **Law enforcement officers** at constituent institutions or affiliated entities with a probationary, time-limited, or permanent appointment employed 20 or more hours per week on a continuing basis, regardless of eligibility for participation in either the NC Teachers' and State Employees' Retirement System or the UNC Optional Retirement Program. Temporary staff, including student temporary staff, are not considered law enforcement offices for purposes of this regulation.
