

Baccalaureate Degree Plan (BDP)

Associate in Science (AS) to BS Professions in Deafness – Interpreter Preparation Concentration

The sequence below is contingent on completion of the AS degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AS. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AS and transfer to UNCG.

This BDP is based upon full-time enrollment (12 or more hours) each semester.

NC Community College First Year Fall Semester

NCCCS Course	NCCCS sh	UNCG Course Equivalent	UNCG sh
ACA 122 (Pre-Major/Elective)	1	ELE 000 Free Elective	1
Natural Science (UGETC)	4		4
ENG 111 (UGETC)	3	ENG 101 Exploring Writing in College Contexts	3
ASL 111 (GEN ED)* (see p. 3)	3	SES 101 American Sign Language I	3
Math (UGETC)	4		3-4
Total semester hours earned:	15	Total semester hours earned:	14-15

Table 7 UNCG Second Year, Fall and Spring Course Selections

Courses with an SES prefix are available only in fall and spring. SES courses are sequenced, to be followed in a prescribed order. Students will develop their individual academic plan with a UNCG School of Education academic advisor.

The Bachelor of Science in Professions in Deafness – Interpreter Preparation concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation.

*ASL courses are a required prerequisite for a number of major courses. UNCG will award direct course equivalency credit for American Sign Language courses (i.e., ASL 111, ASL 112, etc.) based on results of a placement test. The placement test is available to students after formal acceptance to UNCG and have activated

their UNCG email account. Students wishing to take the placement test will need to contact the Professions in Deafness faculty to arrange the testing date and time after they have been officially accepted by UNCG and have a UNCG email address. The test is a written test containing multiple choice questions pertaining to ASL grammar and Deaf culture. There are also expressive and receptive portions on the exam where students are asked to video record their signing of prompts on the test or to watch a video of a signed prompt in which students must supply answers. Students who have an American Sign Language Proficiency Interview (ASLPI) score of 2.0 within the past 6 months that can be verified with a copy of the certificate with the date the score was given will be granted direct equivalency transfer credit for UNCG's four-course sequence (i.e., SES 101: ASL I, SES 102: ASL II, SES: 203 ASL III, and SES 204 ASL IV).

There is no formal admission into the program. Upon enrollment in the university, students must meet with the advisor designated for their specific concentration to review forms outlining technical standards, dispositions, and program requirements. Students must then satisfy the progression requirements in order to continue in the program.

Progression Requirements include:

- Satisfactory progress on Dispositions Review each semester
- Continued demonstration of required competencies outlined in the Technical Standards
- Passing scores on the Professions in Deafness program benchmark assessments.
- Achievement of a B- (2.70) or higher in SES courses
- Achievement of a 2.0 rating or higher on the ASLPI (taken during ASL IV)
- Overall GPA of 2.50 or higher

For more information, visit the Department website: <https://soe.uncg.edu/academics/departments/ses/ses-programs/bachelor-of-science-b-s-in-professions-in-deafness-interpreter-preparation-concentration/>

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
