

Baccalaureate Degree Plan (BDP)
Associate in Arts (AA) to BS Speech Pathology and Audiology

The sequence below is contingent on completion of the AA degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AA. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AA and transfer to UNCG.

This BDP is based upon full-time enrollment (12 or more hours) each semester.

**NC Community College First Year

Table 6 UNCG Second Year, Fall and Spring Course Selections

****Students who wish to pursue Speech-Language Pathology will only need to complete CSD 456 OR CSD 457, while students who wish to pursue Audiology will need both courses**

The Bachelor of Science in Speech Pathology and Audiology requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation. Speech Pathology and Audiology students must maintain a 3.0 GPA overall. Students must maintain a 3.0 GPA in all CSD major courses (300 level and above).

Students must be formally admitted to the Speech Pathology and Audiology Major. Only students with a written acceptance will be permitted to enroll in required courses at the 300 level or above. Applicants for admission to the Speech Pathology and Audiology major may apply only after completion and/or transfer of 55 credit hours and must apply before enrollment in any required courses at or above the 300 level in the major. Applicants must have an overall grade point average of at least 3.0 to apply to the major. The grade point average is a minimum requirement and simple compliance does not automatically imply admission. In all cases, admission is competitive and limited by space available in the program. Application deadline is May 15 of each year.

For more information, visit the Department website: <https://hhs.uncg.edu/csd/undergraduate/bs/>

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
