

Baccalaureate Degree Plan (BDP)  
Associate in Science (AS) to BA Arts Administration

The sequence below is contingent on completion of the AS degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AS or BA degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AS. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AS and transfer to UNCG.

This BDP is based upon full-time enrollment (12 or more hours) each semester.

The Bachelor of Arts in Arts Administration requires a minimum of 120 semester hours (sh). A minimum grade of C required for all courses to count toward the major. UNCG requires a minimum 2.0 overall GPA for graduation.

Students pursuing a B.A. degree in the College of Visual and Performing Arts (CVPA) must also complete all requirements in a minor area of study that is different from their declared major field. Students may select minors in or outside the College of Visual and Performing Arts, and students are encouraged to seek advice from CVPA advisors when making this choice. Any B.A. student who is pursuing a double major is exempt from this requirement. See the Minor Requirement topic on the College of Visual and Performing Arts page for more information.

Arts Administration majors should consider the available minors in Art, Business, Communication Studies, Dance, Entrepreneurship, Media Studies, Music, Political Science, or Theatre. Any B.A. student who is pursuing

a double major is exempt from this requirement. It is common for Arts Administration students to pursue a double major or dual degree.
