

**Baccalaureate Degree Plan (BDP)**  
**Associate in Arts (AA) to BS Biology - Environmental Biology Concentration**

The sequence below is contingent on completion of the AA degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AA. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AA and transfer to UNCG.

This BDP is based upon full-time enrollment (12 or more hours) each semester.

**NC Community College First Year  
Fall Semester**

<b>NCCCS Course</b>	<b>NCCCS sh</b>	<b>UNCG Course Equivalent</b>	<b>UNCG sh</b>
ACA 122 (Pre-Major/Elective)	1	ELE 000 Free Elective	1

PHY 151 (GEN ED)	4	PHY 211 and PHY 211L General Physics I and Lab	4
Social/Behavioral Science (UGETC)	3		3
<b>Total semester hours earned:</b>	<b>14</b>		<b>14</b>

*Table 4 NC Community College Second Year - Spring Semester Course Selections*

Total hours earned for the AA degree: 60-61

Note: the AA requires 13-14 hours of CAA GEN ED

The AA also requires an additional 14 SH of courses to be selected from courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

If a student places in a higher math and chooses to complete MAT 272 (UNCG = MAT 296, Calculus B), STA 271 will not be needed at UNCG. STA 271 would be replaced with an elective/departmental recommendation.

### UNCG Second Year

Fall Semester	sh	Spring Semester	sh
BIO 300-400 level elective	3	BIO 400 level elective	3
PHY 212 and PHY 212L	4	BIO 482	1
STA 271	3	Environmental Biology Concentration Course	3
Environmental Biology Concentration Course	3-4	Environmental Biology Concentration Course	3
Elective/Departmental Recommendation	3	Elective/Departmental Recommendation	3
<b>Total semester hours earned:</b>	<b>16-17</b>	<b>Total semester hours earned:</b>	<b>13</b>

Table 6 UNCG Second Year, Fall and Spring Course Selections

The Bachelor of Science in Biology - Environmental Biology Concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation. Students must have a grade point average of at least 2.0 in Biology courses completed at UNC Greensboro.

Within the College of Arts and Sciences, students are required to demonstrate intermediate-level proficiency in an additional language. The typical sequence of UNCG courses for language is 101, 102, 203, and 204. College of Arts and Sciences considers successful completion of the 204 course a demonstration of proficiency. Students who transfer 60 or more credits to UNCG can satisfy this requirement by successfully completing a 102 course (equivalent of foreign language 112 at a NC Community College).

For more information, visit the Department website: <https://biology.uncg.edu/>

*This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course*

*prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.*
