

FALL 2022 FACT SHEET

Use this guide to answer questions and provide helpful information to your students throughout the semester.

REGISTRATION

If you're not yet registered for Fall 2022, contact your advisor and [log in to Schedule Hero](#) as soon as possible to select your classes.

- **Reminder:** UNCG recommends full-time undergraduate students take 15 credits per semester (or 30 credits per year) to stay on track for graduation in 4 years. Graduate students should check with their advisor.
- You may continue making adjustments to your schedule through the first week of classes with no penalty.
- **The deadline to drop or add classes is Monday, August 22.**

New undergraduate students must attend SOAR (orientation).

Transfer students will complete advising and register for classes before orientation. Freshman students will receive a schedule and meet with advising during registration. If you're a new student who didn't attend a June SOAR session, please [register ASAP for one of our August sessions](#).

Online students should complete the [online orientation modules](#).

Who's your advisor?

If you're not sure who you should contact for advising help, [refer to the listing on Spartan Central](#) and reach out to the advising contact for your college/school.

BILLING + PAYMENTS

If you were registered for classes by Wednesday, July 6, your Fall 2022 student bill has already been issued. If you registered later (or haven't yet registered), your billing notice will be issued in August.

- You can view and pay your bill in [UNCGenie's Student Account Center](#), under the Student tab.
- Are your parents (or someone else) paying your bill? [Set them up as authorized users](#) so they can view and pay your bill on your behalf.
- You or your authorized user may opt to [set up a payment plan](#) to break up your bill into three or four monthly installments.
- **The deadline to pay your bill or set up a payment plan with the Cashiers & Student Accounts Office is Tuesday, August 16.**

 **Expecting a refund?** Excess financial aid or other funds, including some HEERF funds, may be issued as a refund. Refunds are processed the week before classes start, then once a week after that. We strongly recommend [setting up direct deposit](#) now for the fastest access to refunds.

 **International students** can set up an international bank transfer via TransferMate. [Instructions are on SpartanCentral](#).
