Dear Spartan and Family,

In an effort to streamline the federal financial aid application process, the U.S. Department of Education and the Internal Revenue Service worked together to create a way to transfer tax information from the IRS directly to a student's Free Application for Federal Student Aid (FAFSA). They created the IRS Data Retrieval Tool which allows students and parents to access the federal tax return information needed to complete the application for financial aid, and transfer the data directly into their FAFSA from the IRS website. By using the IRS Data Retrieval Tool, the process of applying for financial aid is not only faster, but the application is more accurate. A more accurate FAFSA will help ensure a student is awarded all of the financial aid for which they are eligible.

According to the FAFSA received by our office, your parent(s) attempted to use the IRS Data Retrieval Tool, however, they were not eligible to use the tool and their tax data was not transferred to your FAFSA. While being ineligible to use the IRS Data Retrieval Tool does not mean the information reported on the FAFSA is incorrect, it does mean the income data has not been certified by the IRS or there is a discrepancy in the federal tax filing status.

In order to review your application and award your financial aid, please complete this form in its entirety and return it to the UNCG's Office of Financial Aid and Scholarships. It is important to submit the form as soon as possible because your financial aid award will not be processed until all incomplete requirements have been satisfied.

If you need further assistance, please call our office at (336) 334-5702. We are available to answer questions about this form or any other financial aid questions with which you need assistance. You will need to enter the student ID and UNCG PIN into the phone system in order to authenticate your identity and allow our counselors to give you specific information about the student account over the phone.

Thank you,

UNC Greensboro's Office of Financial Aid and Scholarships
