

Baccalaureate Degree Plan (BDP)
Associate in Arts (AA) to BA Chemistry

The sequence below is contingent on completion of the AA degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AA or BA degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AA. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AA and transfer to UNCG. This BDP is based upon full-time enrollment (12 or more hours) each semester.

**NC Community College First Year
Fall Semester**

| NCCCS Course | NCCCS sh | UNCG Course Equivalent | UNCG sh |
|-------------------------------------|-----------------|---|----------------|
| ACA 122 (Pre-Major/Elective) | 1 | ELE 000 Free Elective | 1 |
| CHM 151 (UGETC) | 4 | CHE 111 & CHE 112 General Chemistry I and Lab | 4 |
| ENG 111 (UGETC) | 3 | ENG 101 Exploring Writing in College Contexts | 3 |
| Communications (UGETC) | 3 | | 3 |
| Math 171 (UGETC) | 4 | MAT 150 Precalculus I | 3 |
| Total semester hours earned: | 15 | Total semester hours earned: | 14 |

**NC Community College Second Year
Spring Semester**

| NCCCS Course | NCCCS sh | UNCG Course Equivalent | UNCG sh |
|-------------------------------------|-----------------|---|----------------|
| Humanities/Fine Arts (UGETC) | 3 | | 3 |
| Social/Behavioral Science (UGETC) | 3 | | 3 |
| CHM 252 (Pre-Major/Elective) | 4 | CHE 352 & CHE 353 Organic Chemistry II with Lab | 4 |
| MAT 272 (GEN ED) | 4 | MAT 296 Calculus B | 4 |
| Total semester hours earned: | 14 | | 14 |

Table 4 NC Community College Second Year - Spring Semester Course Selections

Total hours earned for the AA degree: 60-61

Note: the AA requires 13-14 hours of CAA GEN ED

The AA also requires an additional 14 SH of courses to be selected from courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

| Elective | 3 | Elective | 3 |
| Elective | 1 | Elective | 3 |
| Total semester hours earned: | 15 | Total semester hours earned: | 16 |

Table 6 UNCG Second Year, Fall and Spring Course Selections

The Bachelor of Arts in Chemistry requires a minimum of 120 semester hours (sh). Only major requirement and related area requirement courses at or below the 300-level in which grades of C- or better are earned will be counted toward the major. Students must earn a C- or better in prerequisite major requirement and related area requirement courses before advancing to subsequent courses. Students must have an overall GPA of at least 2.0 in CHE courses at UNC Greensboro.

UNCG requires a minimum 2.0 overall GPA for graduation.

Within the College of Arts and Sciences, students are required to demonstrate intermediate-level proficiency in an additional language. The typical sequence of UNCG courses for language is 101, 102, 203, and 204. College of Arts and Sciences considers successful completion of the 204 course a demonstration of proficiency. Students who transfer 60 or more credits to UNCG can satisfy this requirement by successfully completing a 102 course (equivalent of foreign language 112 at a NC Community College).

For more information, visit the Department website: <https://chem.uncg.edu/>

This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
