

Baccalaureate Degree Plan (BDP)
Associate in Science (AS) to BS Consumer, Apparel and Retail Studies –
Apparel Design Concentration

The sequence below is contingent on completion of the AS degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AS. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Pages 3 and 4 reflect the academic plan of study, following completion of the AS and transfer to UNCG. This BDP is based upon full-time enrollment (12 or more hours) each semester.

The Bachelor of Science in Consumer, Apparel and Retail Studies – Apparel Design concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation. Only grades of C (2.0) or higher in CRS, APD, and RCS courses will count toward completion of the CARS major and concentrations.

Due to the nature of the Consumer, Apparel, and Retail Studies curriculum students can expect no fewer than 3 years at UNC Greensboro to complete a Bachelor of Science degree.

The Apparel Design concentration is restricted to a limited number of students in the studio courses. All students wishing to enroll in the apparel design studio courses must submit an Apparel Design Application. Only students who have taken APD 200 and earned a C or better in the course, and have a least 2.5 cumulative GPA are eligible to apply. Applications will be reviewed by a faculty committee following the completion of each spring semester. Only students who have formal, written acceptance into the Apparel Design studio courses will be permitted to register in APD 251, APD 252, APD 341, and APD 443.
