

Baccalaureate Degree Plan (BDP)  
Associate in Arts (AA) to BS Nutrition – Nutrition Science Concentration

The sequence below is contingent on completion of the AA degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AA. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Page 3 reflects the academic plan of study, following completion of the AA and transfer to UNCG. This BDP is based upon full-time enrollment (12 or more hours) each semester.

**NC Community College First Year  
Fall Semester**

NCCCS Course	NCCCS sh	UNCG Course Equivalent	UNCG sh
ACA 122 (Pre-Major/Elective)	1	ELE 000 Free Elective	1
BIO 111 (UGETC)	4	BIO 111 & BIO 111L – Principles of Biology I and Lab	4
ENG 111 (UGETC)	3	ENG 101 Exploring Writing in College Contexts	3
Communications/Humanities/Fine Arts (UGETC)	3		3
Math 171 (UGETC)	4	MAT 150 Precalculus I (meets MAT 115 requirement)	3
<b>Total semester hours earned:</b>	<b>15</b>	<b>Total semester hours earned:</b>	<b>14</b>

**NC Community College Second Year  
Spring Semester**

<b>NCCCS Course</b>	<b>NCCCS sh</b>	<b>UNCG Course Equivalent</b>	<b>UNCG sh</b>
BIO 155 (Pre-Major/Elective)**	3	NTR 213 Introductory Nutrition**	3
CHM 152 (GEN ED)	4	CHE 114 & 115 – General Chemistry II and Lab	4
Social/Behavioral Science (UGETC)	3		3
BIO 166 (if completed BIO 165) or BIO 169 (if completed BIO 168)* (Pre-major/Elective)	4	BIO 277 & 277L Human Physiology and Lab* (see note below)	4
<b>Total semester hours earned:</b>	<b>14</b>		<b>14</b>

*Table 4 NC Community College Second Year – Spring Semester Course Selections*

Total hours earned for the AA degree: 60-61

Note: the AA requires 13-14 hours of CAA GEN ED

The AA also requires an additional 14 SH of courses to be selected from courses classified as pre-major, electives, or general education courses within the CAA (ACA 122 is required)

**\* Credit for BIO 271/271L and BIO 277/277L is contingent on successful completion of both semesters of Anatomy & Physiology or BIO 165 and 166 OR BIO 168 and 169.**

**\*\* NTR 213 can be completed online at UNCG. It is available during fall, spring, and summer semesters.**

**It is recommended that students complete BIO 275 (UNCG 280 Fundamentals to Microbiology). However, if this is not possible, BIO 280 and BIO 280L are included as part of the UNCG course outline.**

**If a student wants to take Organic Chemistry before enrollment at UNCG, they will need to complete both CHM 251 and CHM 252 in order to meet the requirement of CHE 205 & CHE 206.**

### Second Year at UNCG

Fall Semester	sh	Spring Semester	sh
BIO 375	2	BIO 355	4
BIO 392	3	NTR 475	4
NTR 460	4	Elective	3
NTR 474	4	Elective	3
Elective	1		
<b>Total semester hours earned:</b>	<b>14</b>	<b>Total semester hours earned:</b>	<b>14</b>

Table 6 UNCG First Year, Fall and Spring Course Selections

The Bachelor of Science in Nutrition – Nutrition Science concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation.

New first year and transfer students are required to have a minimum 2.50 cumulative GPA to be admitted to the B.S. in Nutrition. Students must earn a grade of C (a C- is not acceptable) or better in all required NTR and related area courses to graduate in each of the three concentrations offered by the department. Furthermore, students must earn a C or better in prerequisite courses to enroll in specific upper-level courses. A student may not receive credit for any NTR course by special examination.

For more information, visit the Department website: <https://hhs.uncg.edu/ntr/>. Contact the department at 336.334.5313 or smritter@uncg.edu.

*This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.*
