

**Baccalaureate Degree Plan (BDP)**  
**Associate in Arts (AA) to BS Nutrition – Nutrition and Wellness Concentration**

The sequence below is contingent on completion of the AA degree from a college in the North Carolina Community College System (NCCCS). It represents one way in which the program of study can be completed. Following the BDP does not guarantee admission to UNCG or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to the University Admissions website for more information on admission and transfer of credits.](#) *NOTE: Credit will only be awarded for transferable courses for which a grade of C (2.0) or better is earned.*

Pages 1 and 2 reflect the suggested North Carolina Community College system category/course selection for the AA. Review the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. Page 3 reflects the academic plan of study, following completion of the AA and transfer to UNCG. This BDP is based upon full-time enrollment (12 or more hours) each semester.

**NC Community College First Year  
Fall Semester**

NCCCS Course	NCCCS sh	UNCG Course Equivalent	UNCG sh
ACA 122 (Pre-Major/Elective)	1	ELE 000 Free Elective	1
BIO 111 (UGETC)	4	BIO 111 & BIO 111L – Principles of Biology I and Lab	4
ENG 111 (UGETC)	3	ENG 101 Exploring Writing in College Contexts	3
Communications (UGETC)	3	CST 105 Intro to Communication Studies	3
Math 171 (UGETC)	4	MAT 150 Precalculus I (meets MAT 115 requirement)	3
<b>Total semester hours earned:</b>	<b>15</b>	<b>Total semester hours earned:</b>	<b>14</b>

CED 310	3	Nutrition & Wellness Elective	3
KIN 376	3	Elective	3
Nutrition & Wellness Elective (HEA)	3	Elective	3
<b>Total semester hours earned:</b>	<b>15</b>	<b>Total semester hours earned:</b>	<b>15</b>

Table 6 UNCG First Year, Fall and Spring Course Selections

The Bachelor of Science in Nutrition – Nutrition and Wellness Concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation.

New first year and transfer students are required to have a minimum 2.50 cumulative GPA to be admitted to the B.S. in Nutrition. Students must earn a grade of C (a C- is not acceptable) or better in all required NTR and related area courses to graduate in each of the three concentrations offered by the department. Furthermore, students must earn a C or better in prerequisite courses to enroll in specific upper-level courses. A student may not receive credit for any NTR course by special examination.

For more information, visit the Department website: <https://hhs.uncg.edu/ntr/>. Contact the department at 336.334.5313 or smritter@uncg.edu.

*This plan reflects the degree program's requirements published in the 2022-2023 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.*
