This is a suggested guide. Following the guide does not guarantee admission to UNCG or guarantee an AS or BA degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. Refer to UNCG’s admissions website for more information on admission and transfer of credits. Credit will only be awarded for transferable courses for which a grade of C or better is earned. Refer to the NC Transfer Course List for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective.

In completing the AS, in preparation for completing the BA Mathematics – Statistics Concentration, students should complete the following courses.

### UGETC - English Composition (6 SHC)
