

Transfer Guide - Baccalaureate Degree Plan (BDP)
Associate in Arts (AA) to BS of Science in Nursing (BSN)

This is a suggested guide. Following the guide does not guarantee admission to UNCG or guarantee an AA or BSN degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to UNCG's admissions website for more information on admission and transfer of credits.](#) Credit will only be awarded for transferable courses for which a grade of C or better is earned. Refer to the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective. **Note: Please speak to an advisor if you have an Associate Degree in Nursing. You need to follow the RN-to-BSN Plan of Study rather than this BDP.**

In completing the AA, in preparation for completing the BSN, students should complete the listed courses.

The Bachelor of Science in Nursing requires a minimum of 120 semester hours (sh). Students must earn a grade of C (2.0) or better in all required 200- to 400-level nursing courses in order to progress and graduate. An overall grade point average of 2.0 or better is required to graduate.

UNCG requires a minimum 2.0 overall GPA for graduation.

Incoming transfer students must have a transfer GPA of 3.0 or greater to pursue nursing as their major. Students must be formally admitted to the major which is an upper division major. Only students who have formal, written acceptance into the major will be permitted to register in nursing courses and complete work for the major. Applications for admission are accepted between December 1 and February 1 of each year to start the program the following summer. Applications are available online at nursing.uncg.edu or can be obtained from the Advising Center in the School of Nursing. Transcripts from all post-secondary schools attended must be submitted with the application.

For more information, visit the Department website: <https://nursing.uncg.edu/>

This plan reflects the degree program's requirements published in the 2023-2024 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
