

Transfer Guide - Baccalaureate Degree Plan (BDP)

Associate in Science (AS) to BS Nutrition – Human Nutrition and Dietetics Concentration

This is a suggested guide. Following the guide does not guarantee admission to UNCG or guarantee an AS or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to UNCG's admissions website for more information on admission and transfer of credits.](#) Credit will only be awarded for transferable courses for which a grade of C or better is earned. Refer to the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective.

In completing the AS, in preparation for completing the BS Nutrition – Human Nutrition and Dietetics Concentration, students should complete the listed courses.

* NTR 213 can be completed online at UNCG. It is available during fall, spring, and summer semesters.

** Credit for BIO 271/271L and BIO 277/277L is contingent on successful completion of both semesters of Anatomy & Physiology or BIO 165 and 166 OR BIO 168 and 169.

It is recommended that students complete BIO 275 (UNCG 280 Fundamentals to Microbiology). However, if this is not possible, BIO 280 and BIO 280L are included as part of the UNCG course outline.

If a student wants to take Organic Chemistry before enrollment at UNCG, they will need to complete both CHM 251 and CHM 252 in order to meet the requirement of CHE 205 & CHE 206.

The Bachelor of Science in Nutrition - Human Nutrition and Dietetics Concentration requires a minimum of 120 semester hours (sh). UNCG requires a minimum 2.0 overall GPA for graduation.

New first year and transfer students are required to have a minimum 2.50 cumulative GPA to be admitted to the B.S. in Nutrition. Students must earn a grade of C (a C- is not acceptable) or better in all required NTR and related area courses to graduate in each of the three concentrations offered by the department. Furthermore, students must earn a C or better in prerequisite courses to enroll in specific upper-level courses. A student may not receive credit for any NTR course by special examination.

For more information, visit the Department website: <https://hhs.uncg.edu/ntr/>. Contact the department at 336.334.5313 or smritter@uncg.edu.

This plan reflects the degree program's requirements published in the 2023-2024 university catalog. All guides are meant as an example of how a degree can be completed. Course availability, prior credit, course prerequisites, major requirements, and student needs must be considered in developing an individual academic pathway.
