

Transfer Guide - Baccalaureate Degree Plan (BDP)  
Associate in Arts (AA) to BS Physics

This is a suggested guide. Following the guide does not guarantee admission to UNCG or guarantee an AA or BS degree will be conferred. Students should seek academic advising to determine the best course of study to meet educational goals and degree requirements. [Refer to UNCG's admissions website for more information on admission and transfer of credits.](#) Credit will only be awarded for transferable courses for which a grade of C or better is earned. Refer to the [NC Transfer Course List](#) for full listing of courses by designation – UGETC, CAA GEN ED, Pre-Major/Elective.

In completing the AA, in preparation for completing the BS Physics, students should complete the listed courses.
